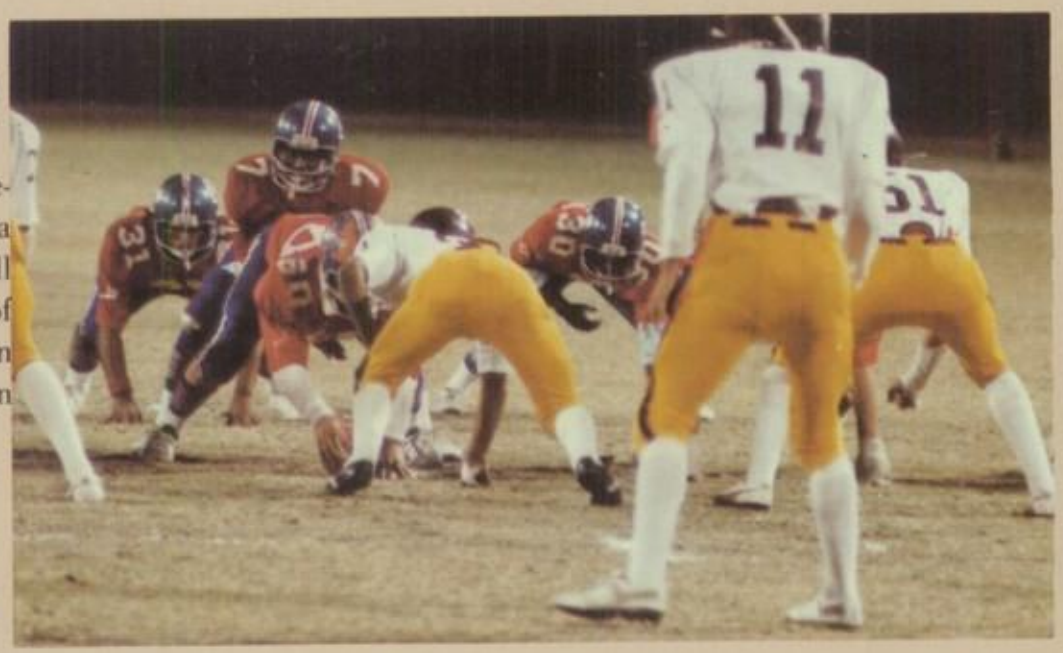
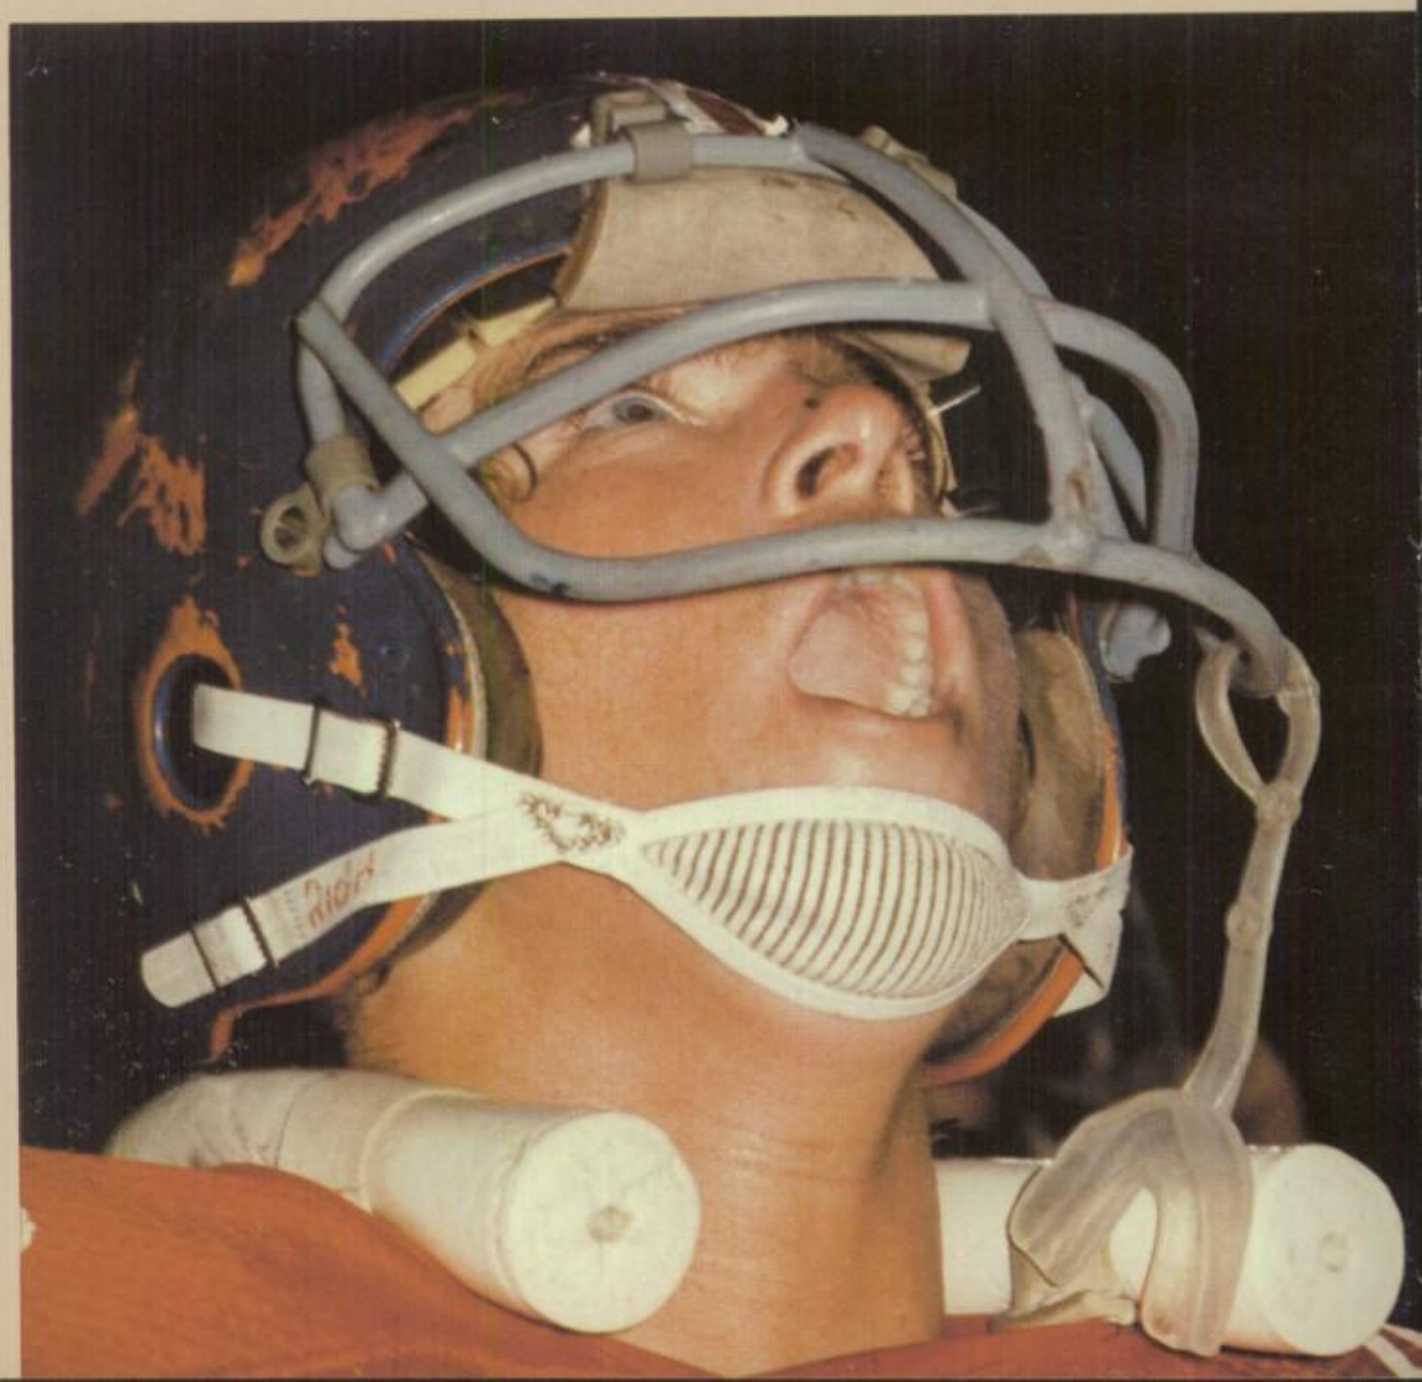
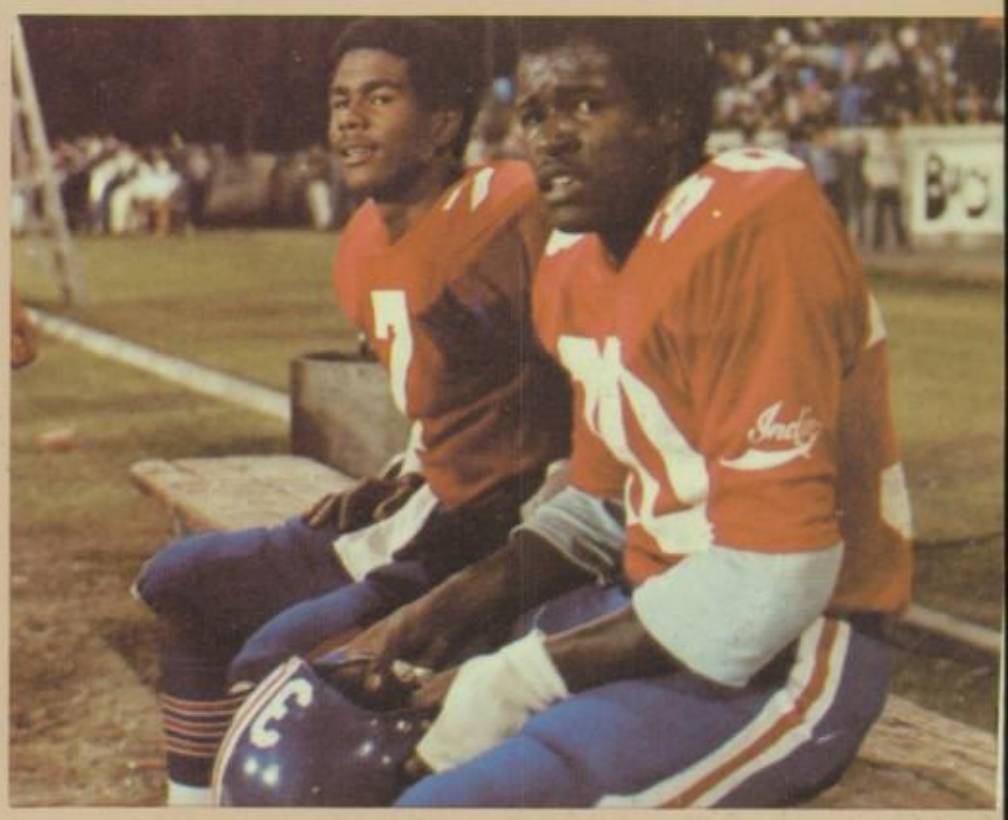
THE THRILL OF VICTORY IN HOMECOMING 1979-'80

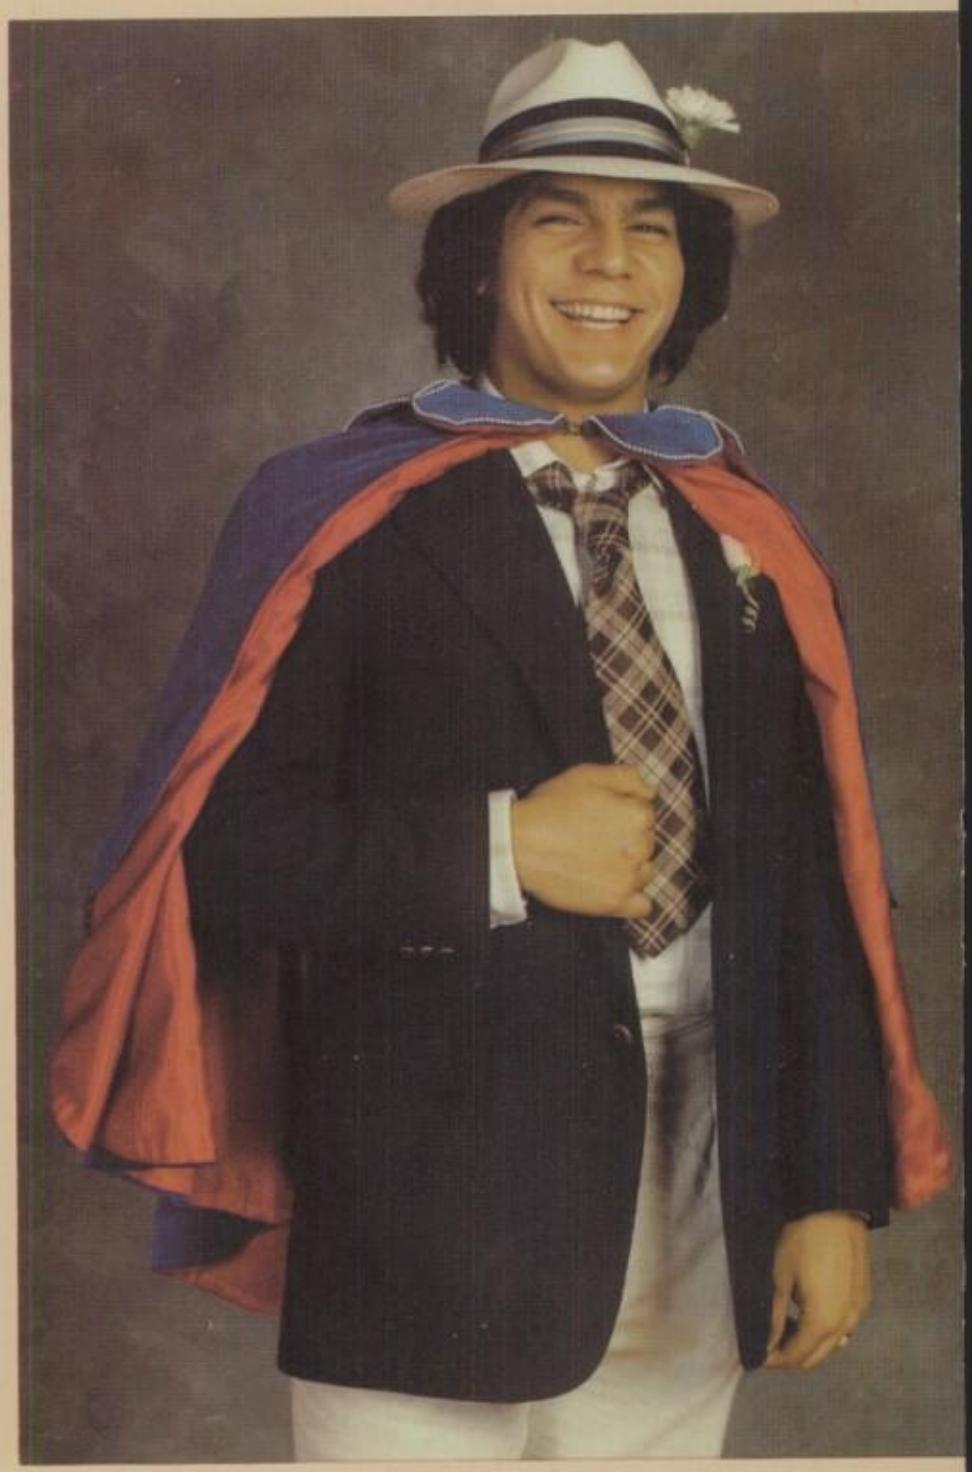
All week long the anxiety and anticipation grew as the homecoming game, ceremonies and dance came nearer. There was a feeling of impending victory in the air for our superior football team was thus far undefeated in DVL and we were positive of their homecoming triumph. When the numbers 49 to 6 flashed on the scoreboard at the end of the game, we knew ours was an extraordinary homecoming.



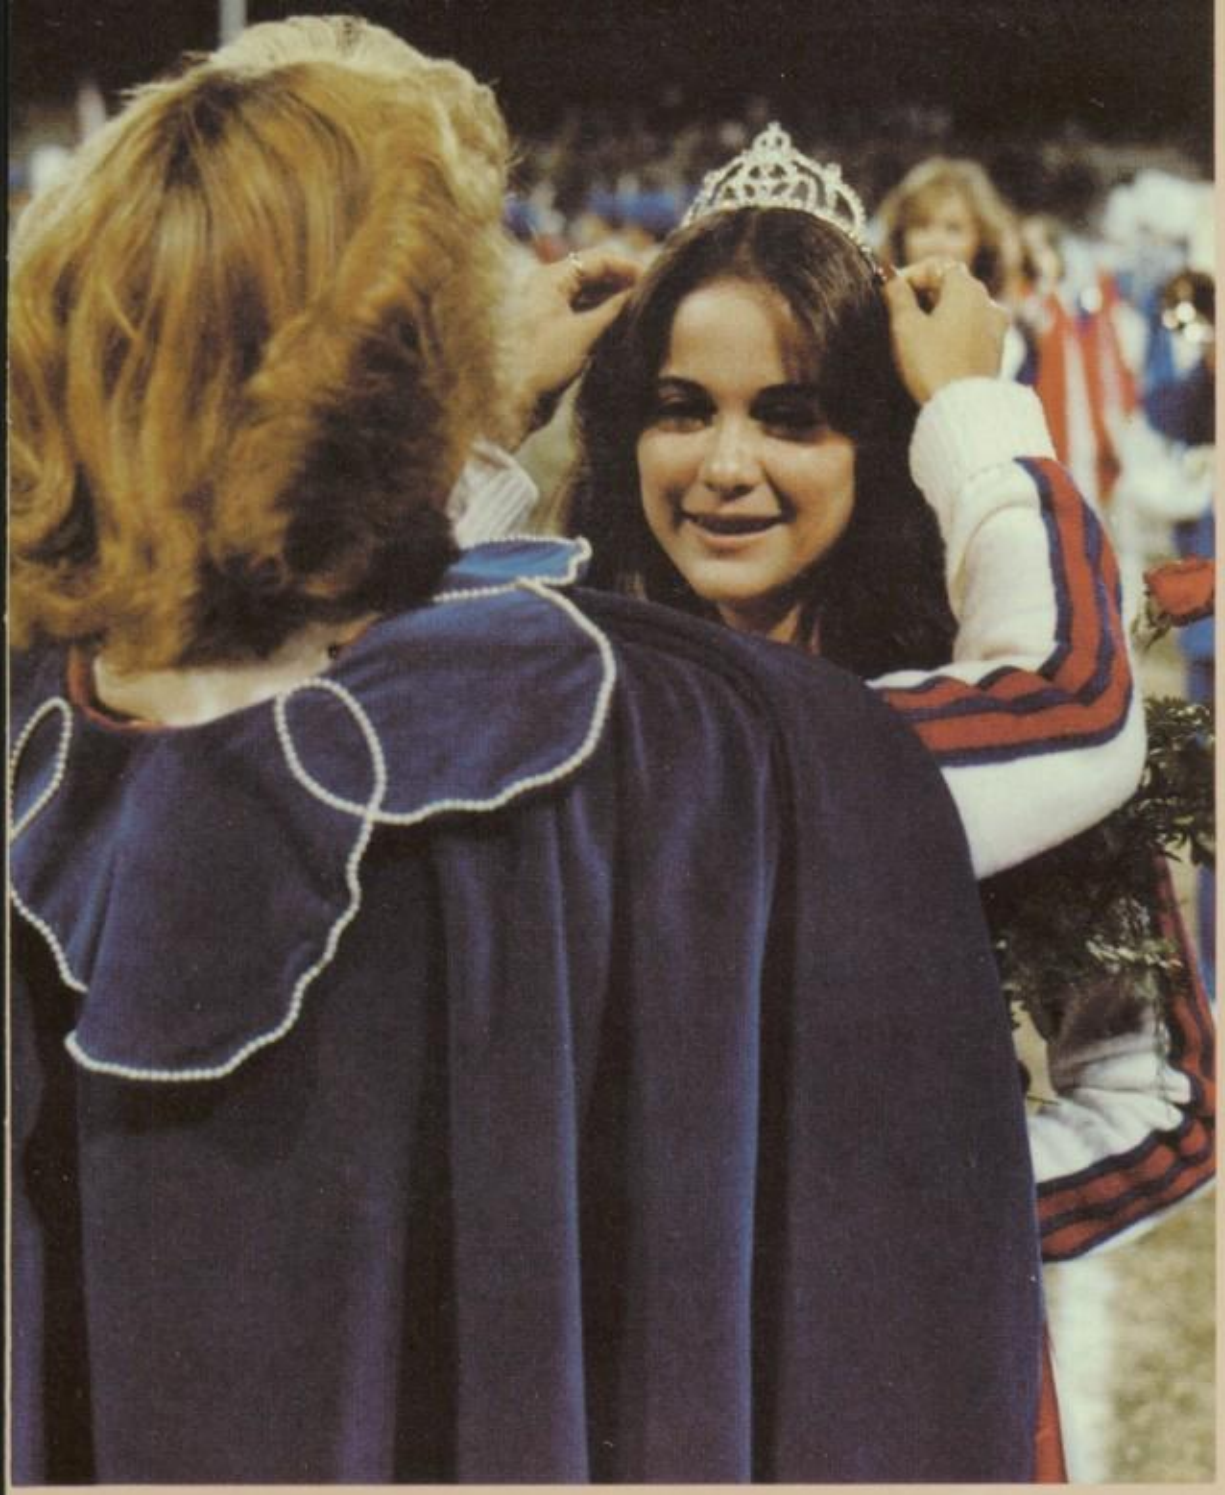




CLOCKWISE FROM LEFT: The IHS Sandpipers perform to the music of The Rajah marching band. Steve Townsend shouts a message to the coach in the crow's nest. The Indio varsity offensive players in sharp formation. Coach Robertson and Mr. Schissler show intense concentration while keeping score. David Woods returns the football to the referee after another glorious touchdown. Members of the Sandpipers, Monica Avina and Lucille Collins. Varsity players, Al Walls and David Woods, take a short break from the game.



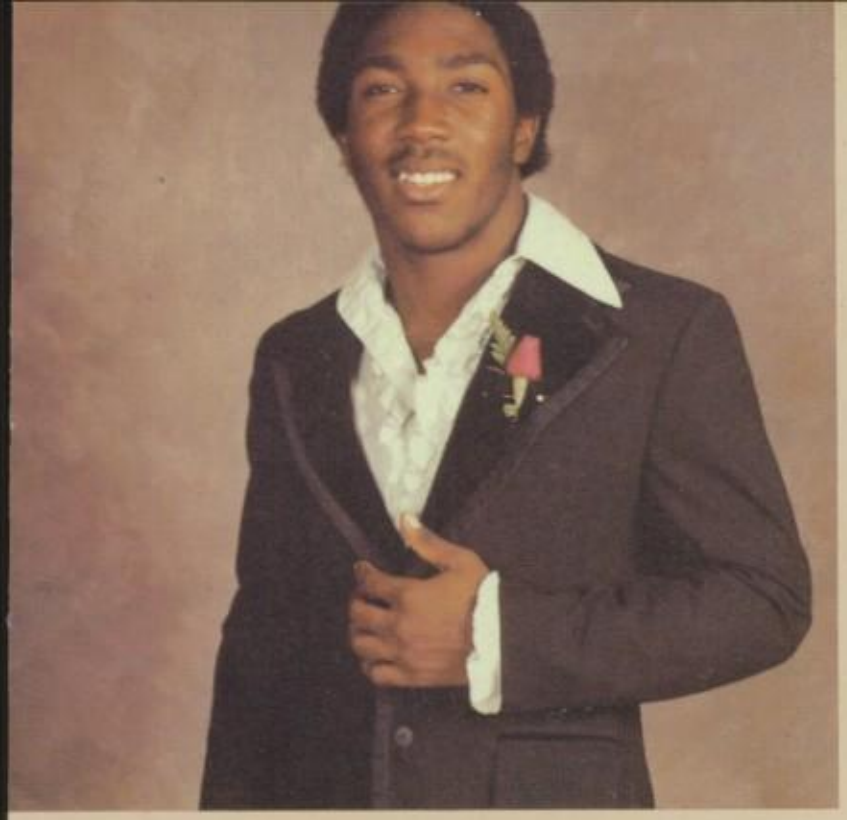
CLOCKWISE FROM TOP RIGHT: Sandpiper leaders, Blanca Peru, Jennifer Rosenfield, and Carole McWaters, lead the drill team onto the football field. Last year's Homecoming Queen, Stacia Waggoner, gives up her crown to this year's Homecoming Queen, Myra Cisneros. 1979-80 Homecoming Queen, Myra Cisneros, feels the "thrill of victory" while taking her last lap around the field. Nick Alatorre, our King, strikes a pose for the photographer. Homecoming royalty dance to the beat.



MYRA CISNEROS AND NICK ALATORRE REIGN OVER 1979 HOMECOMING

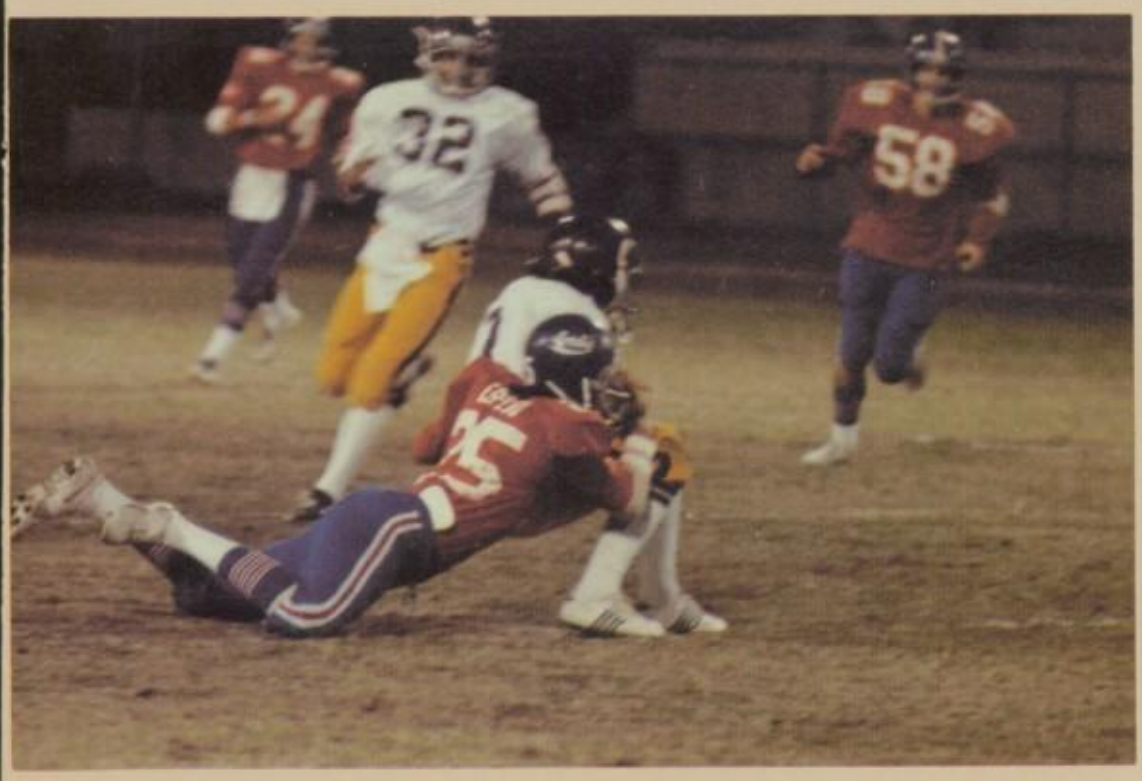
There were many tears of joy as Myra Cisneros and Nick Alatorre were named King and Queen of 1979 Homecoming. Both were very hard working IHS students who deserve to be royalty within a "Decade of Excellence." As Myra's name was announced, not a carriage, but a bright and shiny silver Corvette was waiting to escort the Queen around the football field. In the meantime our King, Nick, was in the locker room receiving pep-talks from the coaches.

CLOCKWISE FROM RIGHT: Prince Brice Wilson looking good as usual. Our foreign exchange student, Greta Borgen, arm-in-arm with Assistant Principal, Mr. Ray Hill. Prince Mark Delaney taking time out from the dance to pose for a picture. Varsity football player, John Espejo, tackling a Calexico player while Brad McGee and Mark Delaney run in to help. Prince Greg Scrivens and Princess Annette Gray, together, master the crutches well enough to dance at the 1979-80 Homecoming. Princess Georgia Emerson being escorted by her father, Mr. Emerson, and Prince Robbie Osterberg.



A DECADE OF EXCELLENCE

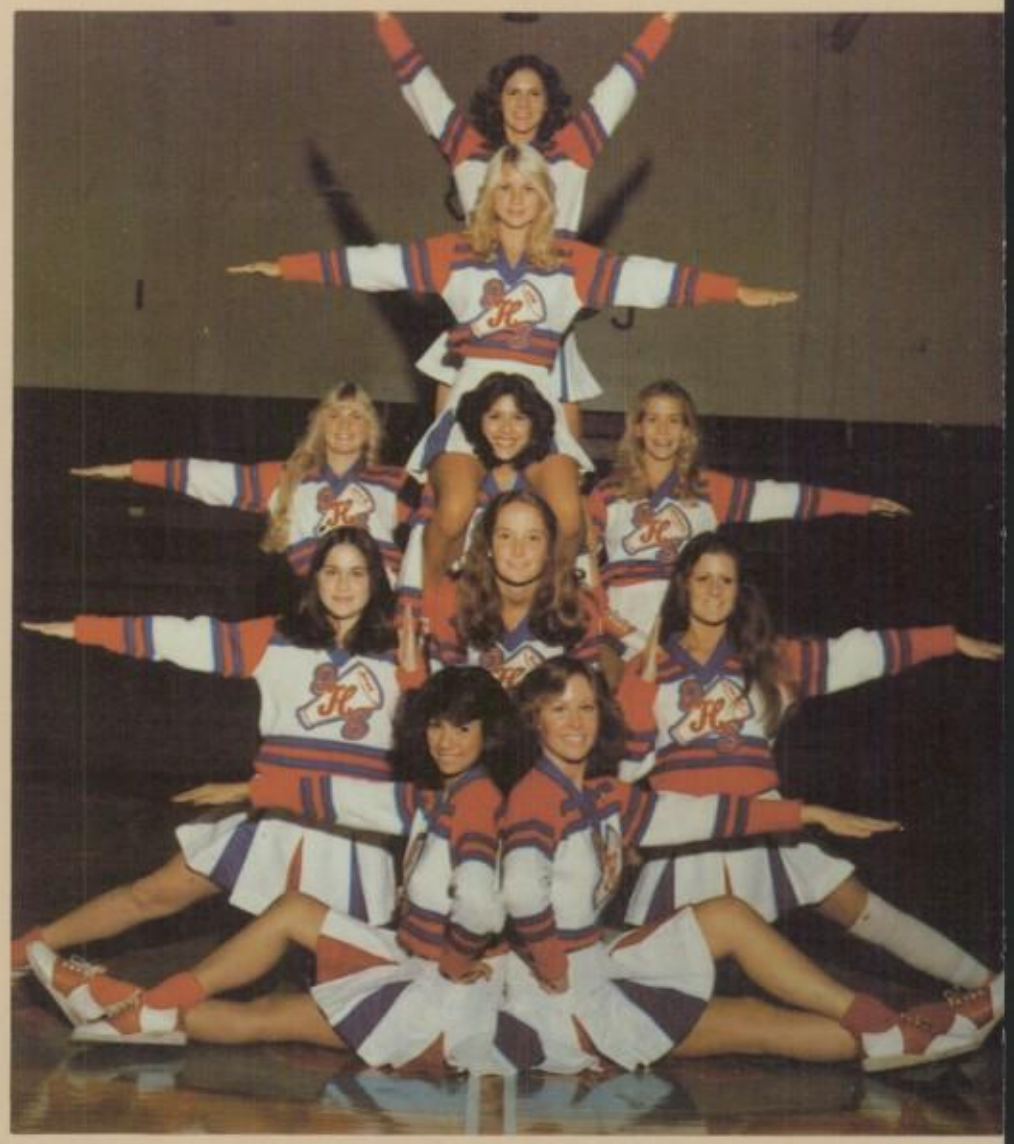
The 1979 Homecoming theme, "A Decade of Excellence", perfectly described the homecoming halftime ceremonies. This theme was greatly illustrated by the beautiful princesses being escorted in flashy Trans-Ams, the marching band's beautiful formation and the anxious, spirited Rajah fans.



ENDING OF HOMECOMING '79

The pinnacle of the final Homecoming of the Decade was the traditional Coronation Dance. As the band, "Message", performed, the court dedicated the first dance to their escorts. The lunchtime activities, along with game, announcement of King and Queen, and the Coronation Dance greatly represented the "Decade of Excellence."

CLOCKWISE FROM LEFT: Prince David Jones watching intensely from the sidelines. The band "Message" plays for the 1979-80 Homecoming Dance. Princess Annette Gray escorted by Prince Greg Scrivens and Annette's father, Mr. Gray, Princess Karen Baker and Prince Derrick Lawson pose for 1979-80 Homecoming picture. Princess Jennifer Burns is escorted by her father, Mr. Burns. Princess Laura Laughlin and Guy Baker face the crowd at the halftime activities. Princess Robin Preston and Prince David Woods show off their ultra bright smiles.



HOW'S YOUR P E P ?

TALL

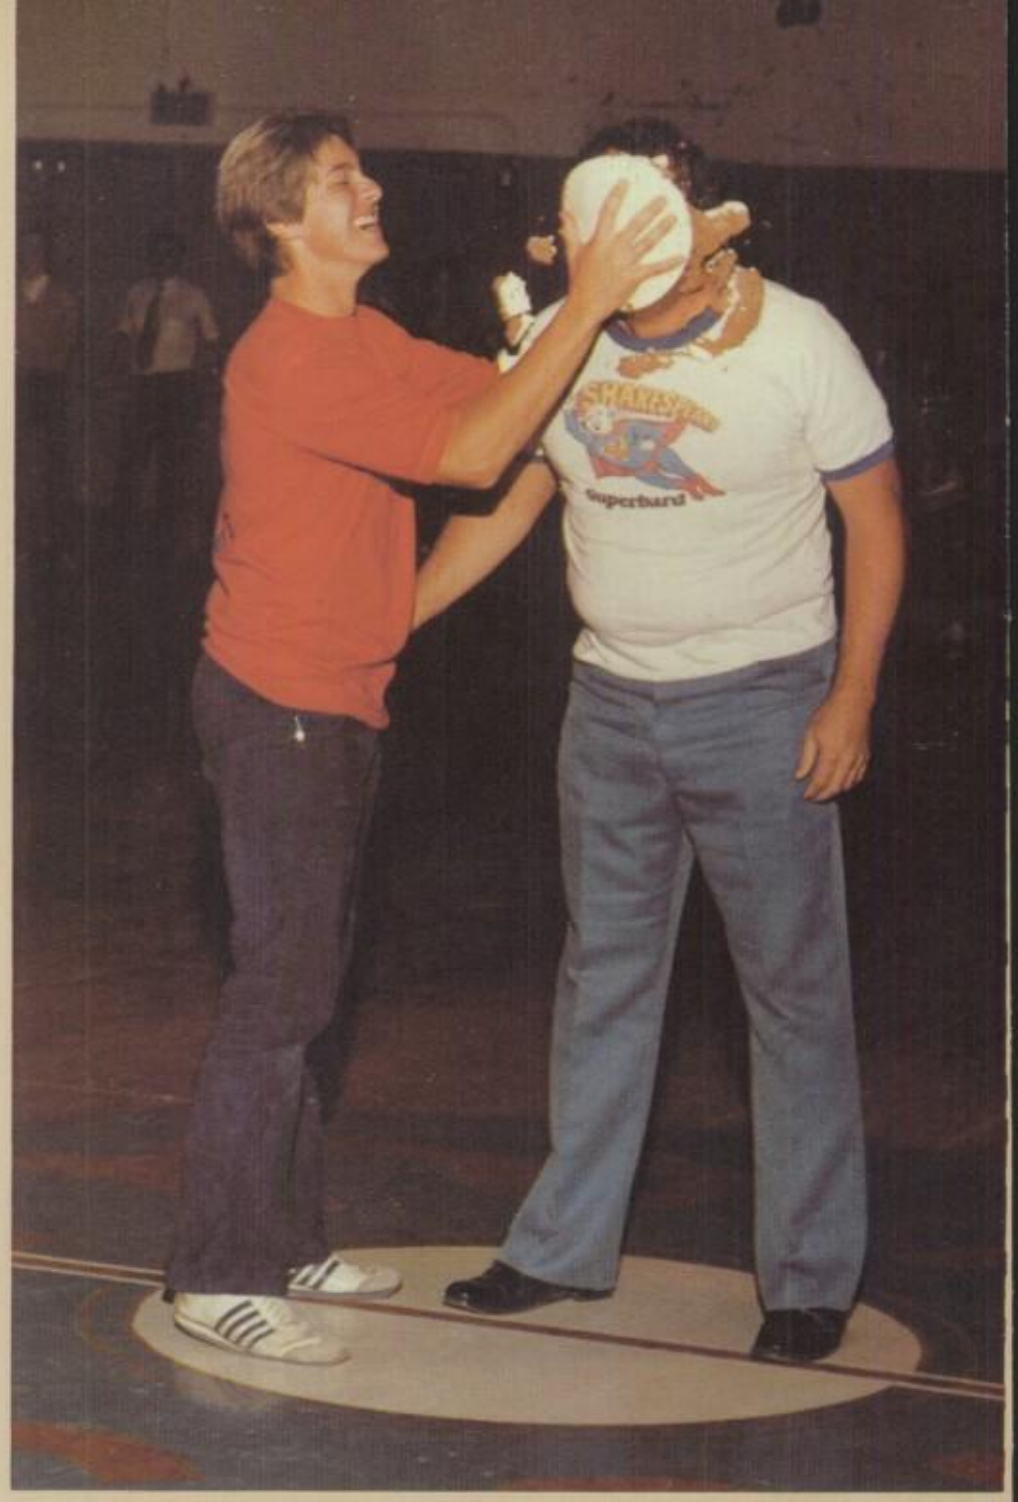
SUPER STARS ARE WHAT WE ARE

The IHS wrestling cheerleaders (Mat-Maids) bring their eagerness and support to the Rajah wrestling team. They devote their time and effort especially into this sport because they believe in "Super Stars."

The IHS Short Flags and Tall Flags are "Super Stars" in themselves. They twirl and maneuver their beautifully colored flags to many difficult routines. This takes hours of hard work.

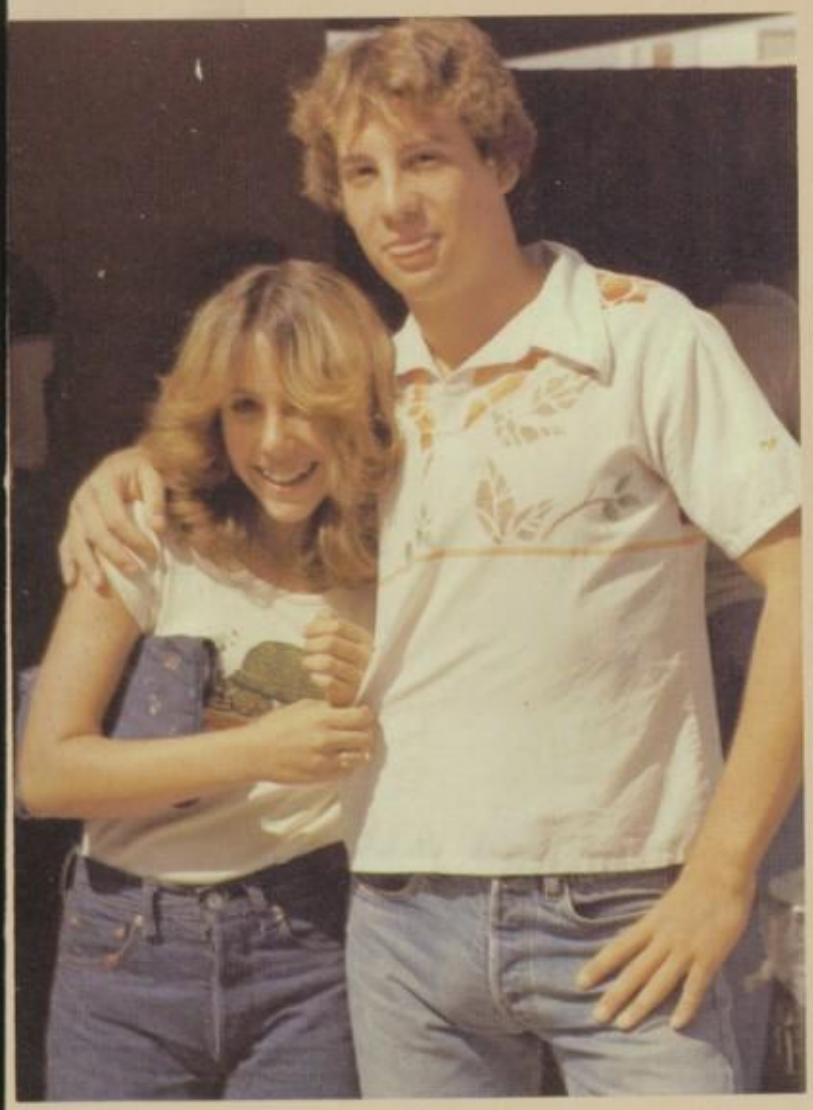
CLOCKWISE FROM BELOW: Coach Riveness shows off the team's talent by his cut-up T-shirt. School colors are displayed around the gym during rallies. Short Flags: From left to right, top row: Susan Turner, Kathy Perez, Juanita Morales. Middle: Cathy Pickerill. Sitting on ground: Jaymi Burrow, Lisa Ramirez, Kathe Codekas. Lonny DeChristopher and Tracey Queen are hilariously named King and Queen Toilet.

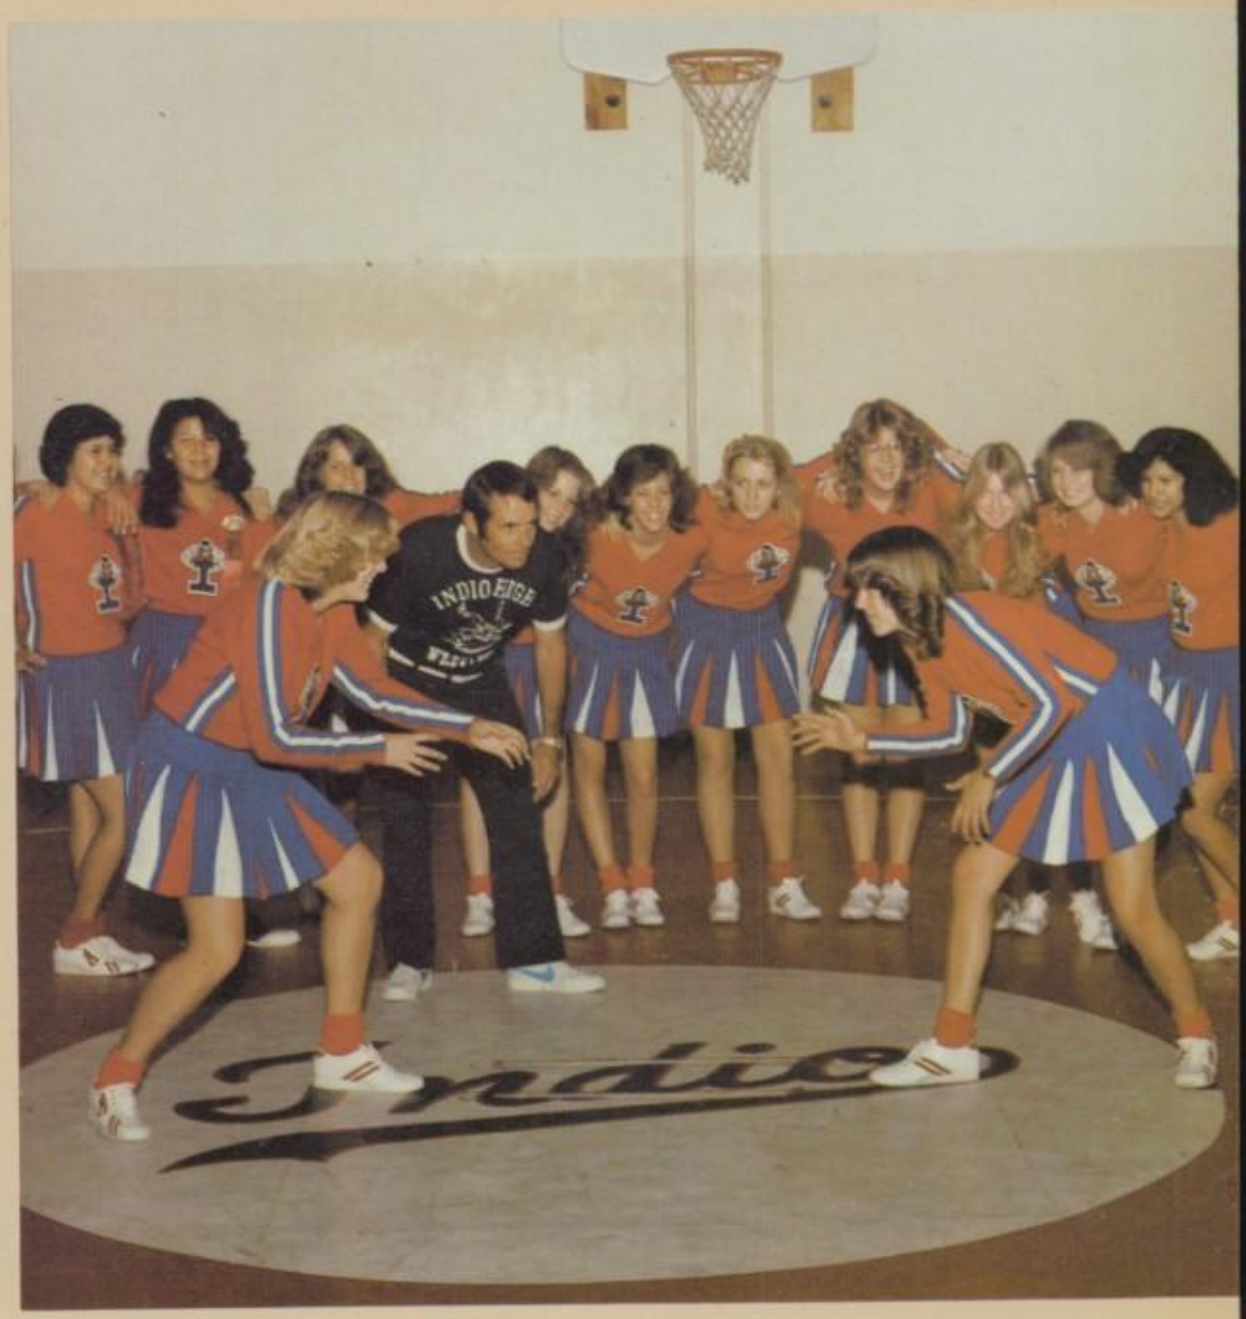


CLOCKWISE FROM UPPER RIGHT: Our mascot, Danny Adelsperger, satisfies Mr. Hill's hunger during one of the pep rallies. Lupe Alverez and friends show off their dancing talent. Rajah Mat-Maids take time off from cheering to see what the sport, wrestling, is all about. Deanna Green and Brian Donelly ham it up for the cameraman. Susan Crofoot and Melissa Ligman decorate the field before another big football game. The senior section is always full and spirited.

OUR MASCOT CAN

Our 1979-80 mascot is Danny Adelsperger, and he's one outstanding student. He puts spirit, enthusiasm, and pride into the school pep rallies, athletic events, and other various activities. This year, our school is very fortunate to have Danny as our mascot.





OUR SPIRIT IS SKY HIGH

This year's school spirit was outstanding! This was shown by the many activities, funfilled pep rallies, and school happenings throughout the year. Fridays were always the special days of the week for everyone to show his own school loyalty. Students wearing the school colors, red and blue, brightly decorated our IHS campus and greatly exemplified the enthusiasm which true Rajah boosters have.

CLOCKWISE FROM BELOW: A group of happy students smile for the photographer. John Sfingi and Jeff Hopp go for the ball in an exciting waterpolo match. School spirit is an important part of a trainer's job. IHS Tall Flags tip their hats and smile for the camera. Assistant Principal, Mr. Ray Hill, really gets into his food!

Indio Rajahs Capture CIF Crown

"The Indio High School Varsity Football Team clinches the CIF Southern Section Desert-Mountain Crown as they defeat Carpinteria 26-0."

Such were the words that came over the loudspeakers on December 15, 1979, as Indio won the coveted crown. The team came into play taking first in league and then CiF. Many outstanding young men drove for the crown among whom is David Woods who was named to the all league, all county teams and was named CIF Most valuable player. Also placing on the all league and county teams were Mark Delaney, Nick Alatorre, Steve Townsend, and Curtis Collins. On the second team all league were Juan Herrera, Brice Wilson, Al Walls, Lonnie De Christoper, Mark Valentino, and Don Dillard.

Many records were set this year and such play will always be remembered. One of these records was the career yardage record set by number 30, David Woods, who ended the season with 3,261 yards. As the 1980 season approaches many will remember and hope again with anticipation as memories revive of the Oh, so fine Football 79.

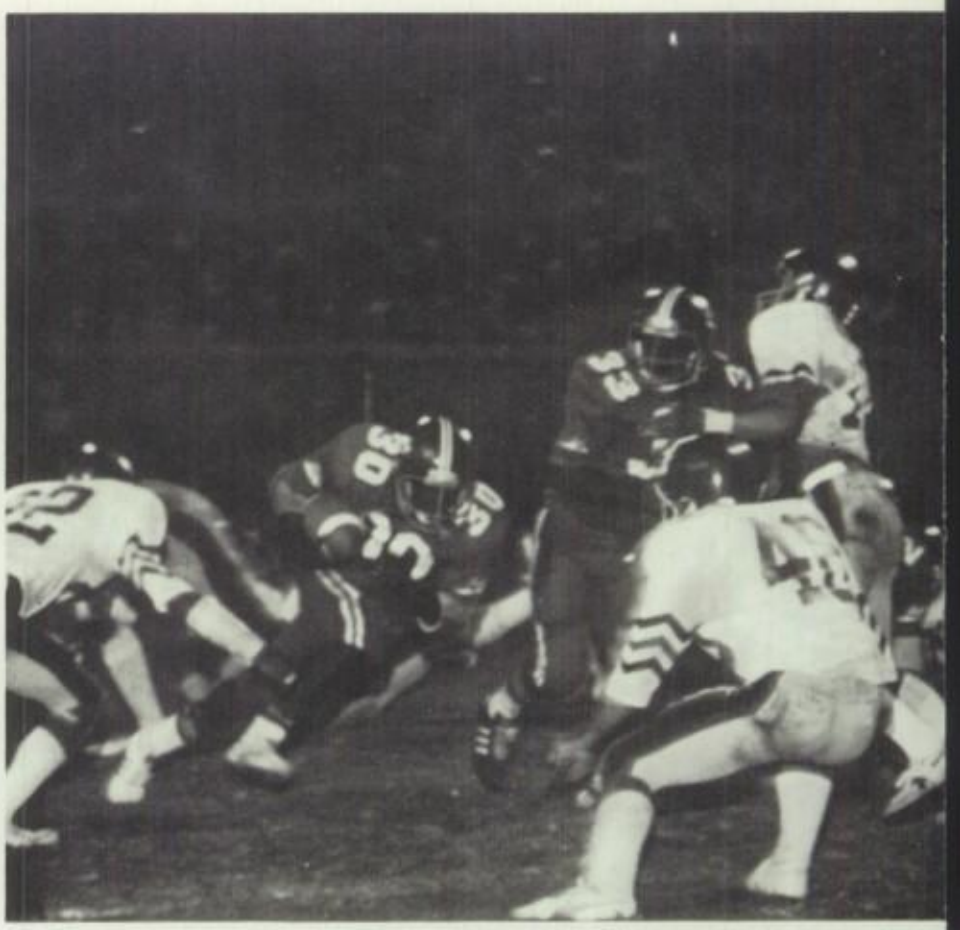
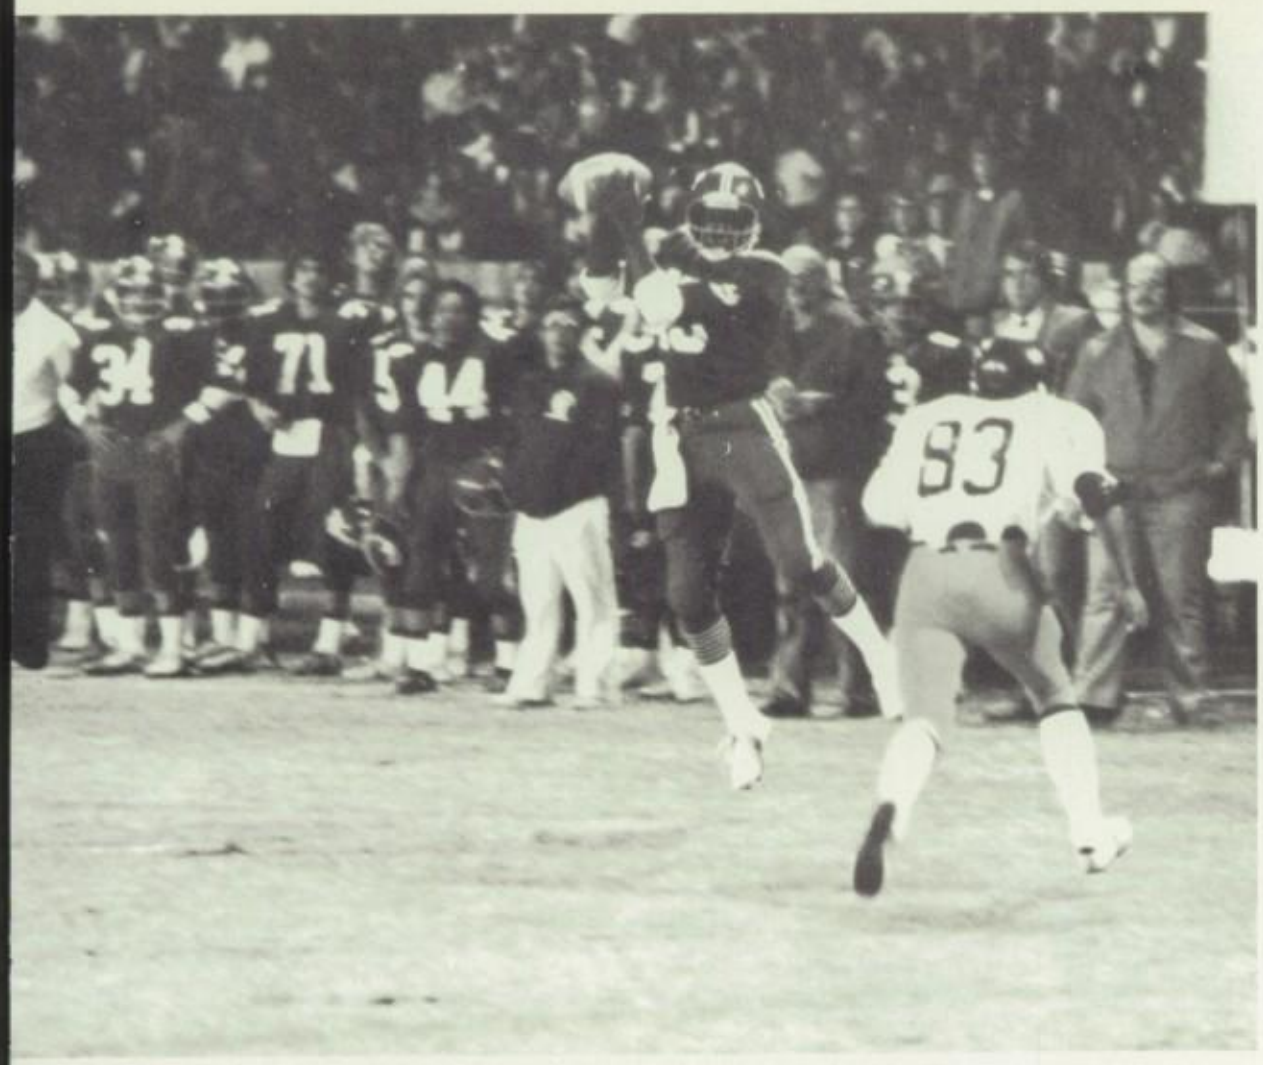
1st Title in 19 Years

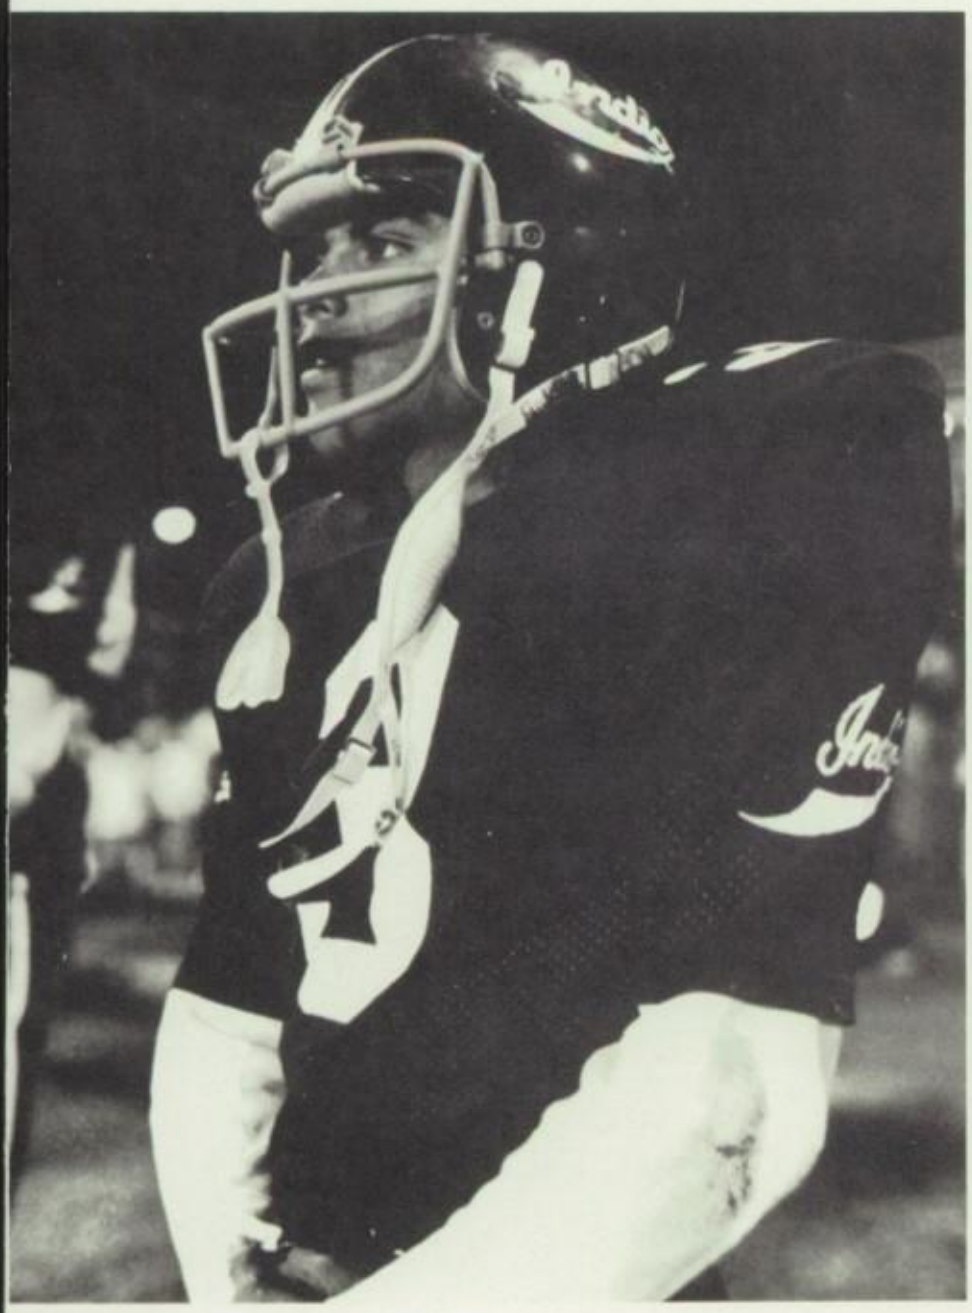
"He helped us work, he helped us win, but he also helped us learn. He's great." These words were spoken of Varsity Football Head Mentor, Dave Rivenes. After the end of the season Coach Rivenes gave us an idea of what the season was like behind the scenes. The team had anticipated a win ever since the loss in last year's CIF. To gain the crown the players practiced some twenty weeks. New teams now have been added to our playing schedule so they may test their abilities.

In his first year as head coach, Coach Rivenes had mounds of pressure on him to win and he produced great results. But in the Coach's own words "I would like to thank the student body for the great support they gave the team. For a team to go 17 weeks and win CIF a lot of things have to mesh. Therefore this year's championship belongs as much to the entire school as well as the team."





CLOCKWISE FROM BELOW: Brice Wilson and Nick Alatorre give the field to the defense. Mike Morales awaits his chance to kick. Quarterback Al Walls makes a run through the middle. Nick Alatorre, Cary Sacher, and Juan Herrera plan their defensive strategy. Indio starts another home game. David Woods sets his sites on the end zone. Curtis Collins intercepts yet another pass.



JV Football Performs Outstandingly

The 1979 JV Football team was the epitome of success. They finished their spectacular season with a win-loss record of 9-1. Most Valuable Player of the Year was Juan Baltazar. Defensive Player was Ken Kettler and Offensive Player was Larry Morales. Their scores well reflect the team's efforts.

In the playoffs Indio lost a very close match to San Dimas in the first round by only two points. This year the team was led by its four starting seniors, Captain Karen Baker, Colette Gray, Patty Guanella and Marian Zahler. Both Colette Gray and Patty Guanella were selected as first team All League, with this being Patty's third year to qualify for the All League team. It was also the first time that Indio had placed two players on the All League team. With four returning players, two of whom were starters this year, and promising JV players moving up Indio will be looking for another great season in 1980. The Junior Varsity Team also sported a fine season as they went 10-0 league to take first in DVL. As a direct result of their improving skill and this interest, Indio's soccer team will be a strong contender for the DVL championship next year.

Golfers Set Par for the Course

One of the best groups of golfers ever assembled at IHS made up the 1980 Golf Team. The team was composed of only three players but they capitalized on their excellence.

The team had no home course but were hosted by many cooperative country clubs. Each member of the team performed outstandingly, and with their ability and enthusiasm, golf as an IHS sport will definitely increase in size and support.

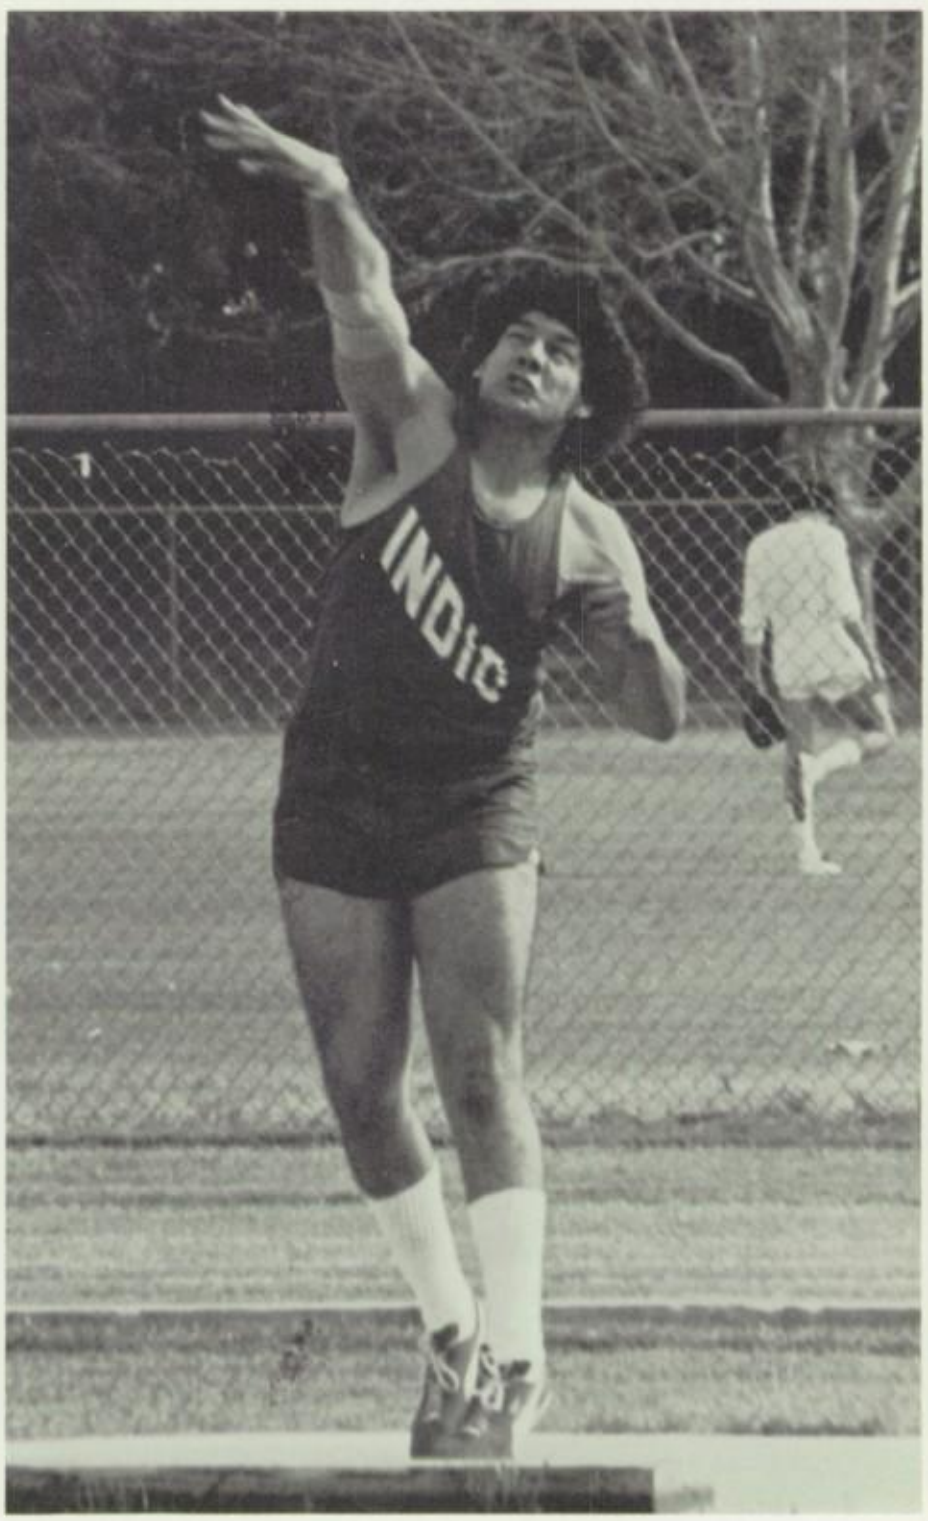
Track Team Loves Number 14

The 1980 Varsity Track and Field Team was truly unique. The team previously captured 13 consecutive DVL titles and worked very hard for their fourteenth. They set many records in their quest for victory and wasted no time in doing just that.

In the second meet of the season, Danny Gallegos set a high jump record with a 6′7″ jump, Nick Alatorre set a shot put record with a 159′ 10″ throw, and Louis Terrones ran a record-breaking 4 min. 25.67 sec. mile.

The outstanding team, aside from their setting of records also strove to win the title for the fourteenth year and such talent and ability truly provides the assurance.



Track Teams Improve Records

The JV and Freshman Track teams had an outstanding year. Aside from wins and championships, many records were set.

Many track and fielders contributed to the teams' success but their major goal was to enhance student abilities and individual efforts for self improvement.

Many new outstanding runners, vaulters, jumpers, sprinters, distance runners, hurdlers, shot-putters, and discus throwers were added to the Ranks of Indio Rajah Track and Field.

Girls' Track Races to Victory

Running, jumping, leaping, and throwing are just a few of the many things that the 1980 Girls' Track Team does and does well. This year the Girls' Track and Field Team had many fine athletes among their ranks, among whom are; Debbie Lewis in the 880 yd., Anna Casillas in the 2-miler, Malory Greene in the 2-miler, Marie Tristan in the mile, and Kandie Hart in the 440 yd.

With athletes such as these and the superior coaching of Coach Ferranti and Coach Cadiz, the team emerged victorious in many matches. The girls spent long hours getting in shape and hard work was rewarded by their fine accomplishments.

The netters sported a number of outstanding singles and doubles teams which were instrumental in "racketing" in the points necessary to win the overall matches. The team also grew in size and with such vivid interest, the team is sure to be successful in the future.

Many fantastic players returned, and with such talent and ability, the Rajahs anticipated victory.

Varsity Baseball Team Swings for the Victories

The IHS Varsity Baseball players were a dedicated group of athletes this year. The team had the winning spirit and the confidence needed to go far. Varsity Baseball was fortunate to have such athletes as David Vaughan, Richard Pena, Darren York, Lonny DeChristopher and Oscar Hernandez, many of whom were returning varsity players from last year.

This year the team had a very busy schedule and many tough opponents but this was certainly the Rajahs' year for triumph.

JV and Freshman Teams Show Talent and Sportsmanship

The JV and Freshman Baseball Teams showed exceptional talent and sportsmanship during the 1980 season. Coached by Scott Shoemaker and Carl Cervantes, the two teams pooled their efforts in a single, dominant, and victorious force.

Gymnasts Limber Up for Fine Season

Poise, confidence, hard work, and perseverance, are just a few of the many characteristics associated with the Gymnastics Team of IHS. These girls put many hours and much devotion into this sport this year. The team was led by such fine athletes as Mary Somers, Mandy Wray, Barbara Johnson, Yolanda Gonzales, and Danita Cress.

Gymnastics is a difficult sport in which to compete and it is very hard to learn but with athletes such as these girls, the sport looked easy.

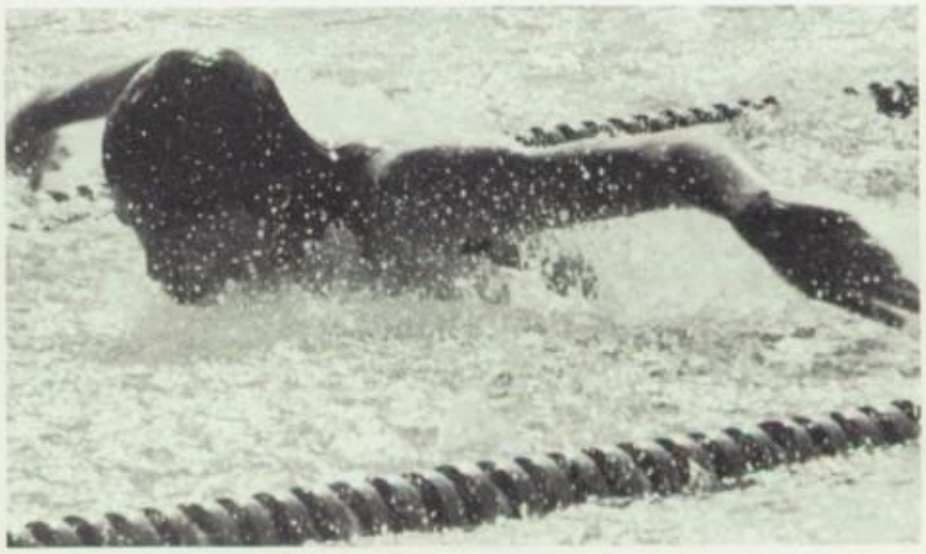
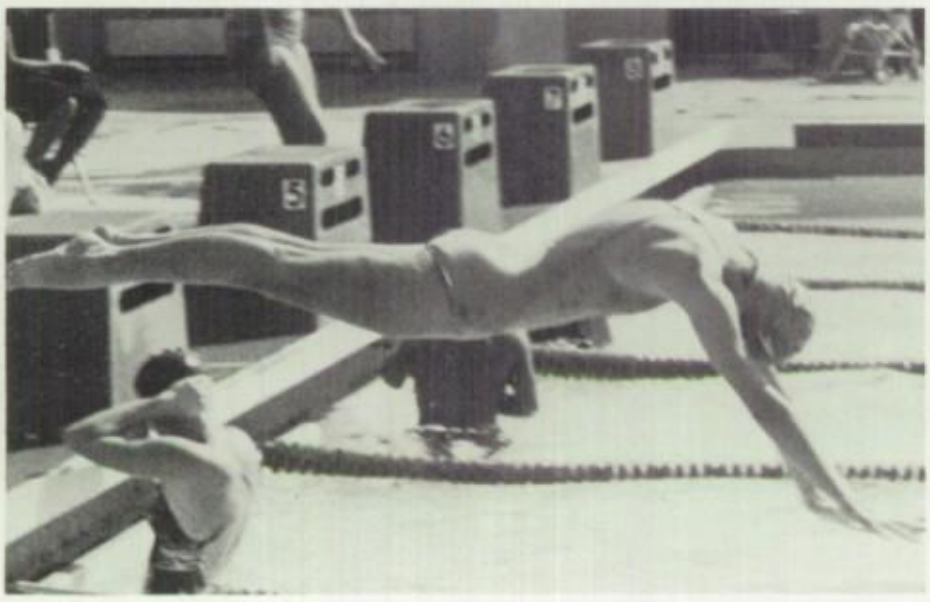
Boy Swimmers Glide for Those Smooth Victories

The 1980 Aqua Rajahs started off on the right fin this year, taking first place at the annual Ramona Spring Relays, defeating Palm Springs in every event, and winning against Hemet, El Centro and Los Amigos. These were all non-league dual meets.

The IHS Swimming Team moved into the tough Ivy League this year and the competition was very rough but with the entire teams' effort, the Rajahs were victorious.

The group was led by senior Ron Rosenberger who qualified for CIF. Other outstanding swimmers were Greg Arias, Steve Duran, Charles Harris, Lance O'Donnell, David Garczynski, Derenik Najarian, Guy Morris and Felipe Lara. The 1980 Aqua Rajahs were coached by Coach Tom Grimm.





CLOCKWISE FROM ABOVE: A team member illustrates perfect block-starting form. Jennifer Burns backstrokes to victory. Coach Lowell gives his team a pep talk. Melanie Reed awaits her turn in the relay.

Girls' Swim Team Strokes to Victory

The IHS Girls' Swim Team for 1980 was one of the best ever seen in the Inland Empire. The Varsity Team, led by three returning All-Americans (Laura Laughlin, Jennifer Burns and Kari Hinderaker), was especially strong in dual meets. Melanie Reed, a brilliant Freshman, added great strength and versatility to the Rajahs.

The Rajah Varsity, competing in the powerful Ivy League for the first time, proved to be worthy opponents for all the teams they faced. In CIF the Aqua Rajahs again qualified several swimmers to prove themselves against the best teams in Southern California. The Varsity was coached by Dr. John C. Lowell. The team manager was Jim Cummins.

The Veiled Challenge

The mysteriously dark mountains quietly lure me. What awaits me I am uncertain of. For everything will be veiled until I have explored it to the fullest.

Many think they know what waits for the individual in the mountains but we cannot be certain. It is said that time changes even the largest and strongest, so what is so one day may not be the next.

The challenge of the mountains is as great as existence itself. Because the challenge is life: dark, unsure, unknown.

Hi, There that's a good start! I did not know how to start cause there are so many things I want to say! I also wanted to write by this cute picture! Isn't it darling? I'm really surprised that you're still such a really good friend! You're really the only real friend I have. I want to thank you so very much for all being here when you.

← O.K, here down go'd

Most people would have said, the heck with that friend, cause I haven't been such a good friend. This shows what a special and close friend you are. And, I'm serious, what I'm saying. I really thankful, I don't think I can show my gratitude. I hope when we go to Europe we can become (oops) best of friends and even closer before. I needed to escape from everyone

Running, babbling, singing
Never slowing down
Mother Nature giving

Now no longer free

I have no

writing all this stuff.
Probably because I
want to take up alot of
space in your annual. I
want to look good you know
because you don't have to many
friends. (Ha Ha) Just messin with your
mind again. And wasting a little
more space. Well I guess thats about
it. I see you next year when you're a
big bad JR/SR & set then you'll be
stuck up and won't talk to me. (whatever)

A Friend

In the darkness,
you are my light.
In my despair,
you are my hope.
In my fear,

In my wandering,
you are a guiding hand.
In my heart,
you are my love.
Though my body
quakes with uncertainty,
you remain solid.
For in my soul,
you are my friend.

The Associated Student Body of IHS is a group of students chosen to plan and lead many various campus activities. This year, the ASB and their advisor, Mr. Robert McLaughlin, concentrated on getting closer to student ideas, views and feelings about the way the campus is run. Worthwhile ASB activities this year were dances, concerts, an All-A-Thon, and the Student Forum.

Aeneadae, the Latin club, one of the four foreign Language Clubs on the IHS campus encourages the students to learn more about the Latin culture and language. The club, sponsored by Mrs. Jan Hardy, worked on projects related to the Latin culture.

AFS is a world-wide organization which assists in providing for students to attend school in other countries. Students participating in this program learned much about cultures of many countries. Greta Borgen, from Norway, was our American Field Service exchange student this year.

The Backpacking Club, sponsored by Mr. Raymond Hill, was formed to promote interest and enjoyment of the outdoors. The club planned periodic excursions to many scenic places.

Under the leadership of Mr. Ray Adams, the Black Student Union has worked hard on many activities this year. They held the annual Black Student Union Week and the election of their king and queen.

Water sports athletes belong to the Aquatic Club. Sponsored by coaches, Tom Grimm and John Lowell, the club teams played against tough competition and overall had a very good season.

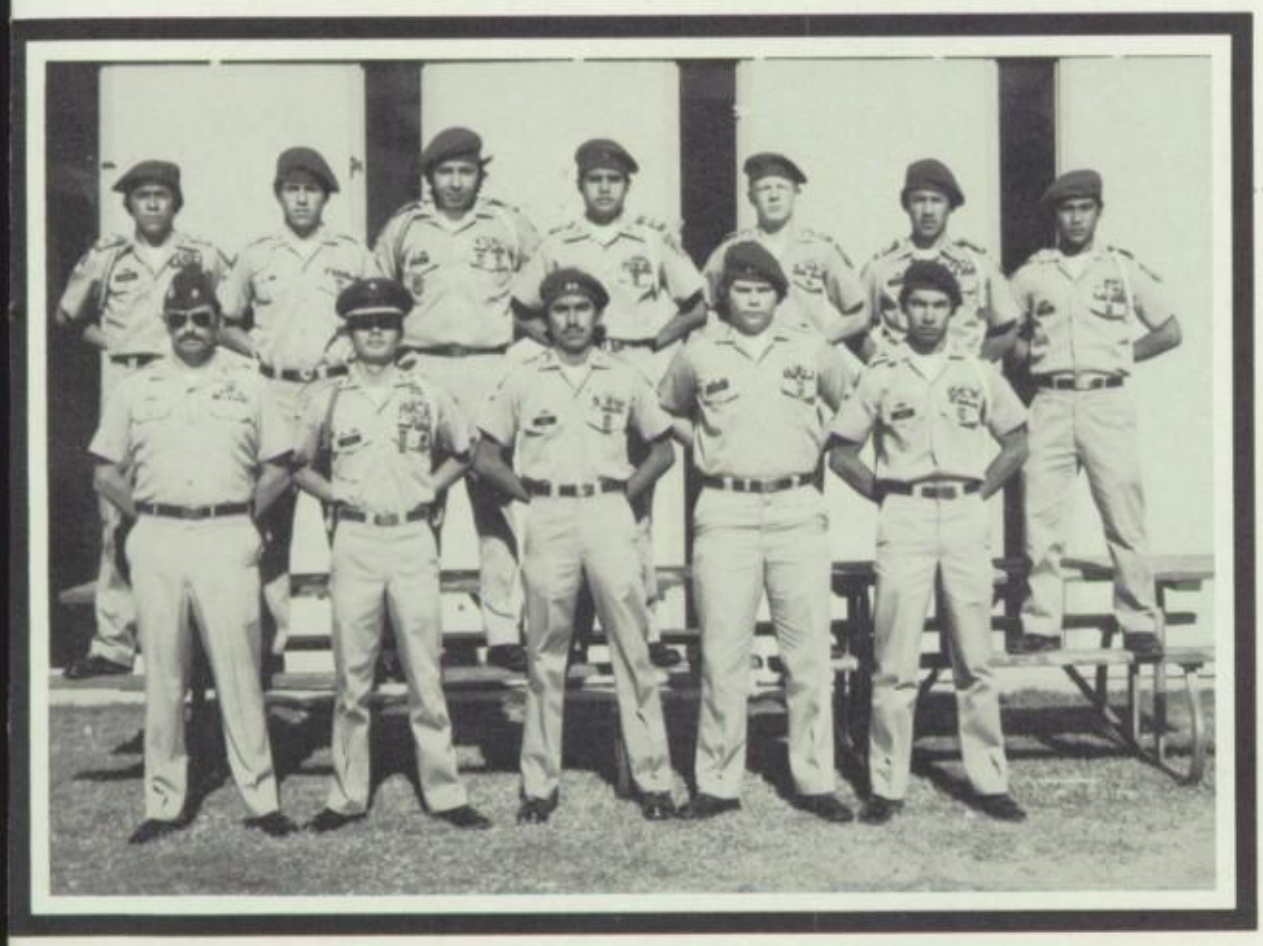
Cadet Officers



The Baseball Club, along with their sponsor, Mr. Gil Marrujo, held various fund-raising events. These events were held in order to raise money for equipment and other needs of the Baseball team.

The 158th Battalion of the California Cadet Corps was established at IHS in 1958, and has since grown to become one of the largest and best Cadet Corps in the entire state. This year, the unit had close to 90 cadets in its membership. The purpose of the CCC is to teach the cadets leadership, citizenship, patriotism, basic military knowledge, and to give the student a well-rounded education. Our CCC unit has gained statewide fame for its outstanding drill teams, color guards, tough officer candidates program, and all-around program. Major Doug Cooper, Commandant of Cadets, served as the 1st Brigade's Advisor.

This year the Basketball Club supported the basketball team and acted as representative of the team. The club helped out at the concession stands during the football games and held fund-raising events to help support the IHS basketball team.

CCC

The California Scholarship Federation, sponsored by Mrs. Eva Somers, is composed of students who maintain no less than ten academic points per semester. This year the CSF students at IHS assisted the teachers during Walk-Around. The club also held many activities throughout the year, including initiations of new members.

Students at IHS this year were encouraged to express themselves in many ways. A fine example of self-expression was found in Room 15 where Mr. Art Duenas directed Cuauhtemoc. The painted mural reflected realism, surrealism, and naturalism, depicting art of the Mexican American. A special thanks went to the artist, Gary Lopez.

The IHS Choir and Chamber Singers had their annual Christmas and spring concerts this year which turned out to be a big success as usual. Under the direction of Mr. Don Rosine, the choir has become a group of performers of which we can all be proud.

By posing as a representative of a country, Martha Gaddis easily entertains students into learning. 7. Ken Cosgrove chuckles "and you thought it was my heart you broke." 8. When someone shouted "Redneck", you'll never guess who turned around; Ed Roze, Bill Miller, and Chuck Drinkworth. 9. "Saint Francis of Ferranti, Why are you sponsoring Girls' Track when you could be philosophizing the existence of Nike." 10. Joining the Rajahan staff this year is George Areu who also sponsors the Junior Class.

Students Study Present Day Cultures

The varied course offerings at Indio High School help students to learn of the different modern day cultures. The students are given a wide variety of selection as to which culture they might wish to become familiar with. The instructors take special interest in giving the students an overview of the cultures through guest speakers, films, and a chance to see the culture in action through dress-up days and food festivals.

Classified Staff Provide Service to Student and Faculty

The classified office staff spent the year busily serving the staff, students, and administration. They typed the memos, ran the attendance office, printed pupil personnel bulletins, organized the Master Activity Calendar along with many other duties. Without them, many school programs would not succeed. Their service was greatly appreciated.

Classified Staff Are Key People

Custodians, groundskeepers, secretaries, instructional aides, security aides and many others were part of the busy program at Indio High School, each doing his job in a superior way. These are the people who keep the great school machinery running efficiently. A force of salaried and volunteer men and women gave of themselves to run the basic programs at IHS. They are certainly appreciated by students and staff.

Shed a Little Light On the Future

Today's high school graduate has more options than ever to choose from. Whether you're a young man or woman, you'll face an almost limitless number of educational and career choices: you may go on to college or trade school, get married, become an engineer, homemaker, carpenter, secretary, teacher, mechanic, lawyer, doctor. . .the list goes on and on.

We at Imperial Irrigation District urge you to ensure an even brighter future by practicing conservation. At one time, both water and energy were taken for granted--back in the "good old days" when these resources were inexpensive and abundant. That's true no longer, unfortunately.

Solar, geothermal, and fusion power all have been hailed as energy sources of the future, but they're still just dreams that may await decades to be realized. While we're waiting, conservation is the key word. Without it, your future--and the future of the world as you know it--will grow dimmer. With conservation, you can look forward to a bright tomorrow.

Well be leaving in a couple of weeks, and we'll have alot of fun and get back together. Youre gonna have to put up with me for 5 weeks you know. (Youre gonna hate the sight of me) We're gonna have alot of new good times and memories to cherish. Remember, the beginning of the year we did, all the football games, (Nick & Mark, remember?) Pep Rallys, those were always fun! Cheering, laughing gossiping about Anyone there was to gossip about. Jim going now, Bye for now! Glen says to write faster in English. Gotta go, I better get to sign more.

1980 RAJAHAN STAFF

The *IHS Rajahan* is something most students look forward to at the end of each year. The yearbook tells a story of campus life with pictures and write-ups.

It takes many long hours of hard work to put the book together and this year's *Rajahan* staff did an outstanding job. The staff was well organized and each member carried out his duties well.

The advisor of the *1980 Rajahan*, Ms. Judy Jones, did a superb job. It was her first experience as the advisor of the annual and although she probably wondered why she took on the duties of an advisor, she'll be back next year to produce an even better yearbook.

Good Luck Next Year,

Dawn Riley and
Donna Trout,
Co-Editors

Creating the annual this year was a completely new and different kind of challenge for me. Beginning as a novice, I often found myself stumbling along the way in spite of my desire to actually design and develop a book. Alongside of me, however, were many people who kept me on my feet and pointed me in the right direction. It is the purpose of this page to acknowledge their contributions to the 1979-80 *Rajahan*.

Photography — Don Hay. I don't think anyone really knows how much time Don Hay puts into the annual class each year. He badgered, cajoled, and directed me while sympathizing with me. He would take photographs and develop them at the very last minute, meet with us at the fountain area or in his room during lunchtime, redevelop photographs, and attend sports events, banquets, and meetings for which we needed photos.

Layout Design — Garth Uibel, Chairman of the Art Department. Garth was always on hand for suggestions and advice on layout design. Not too many teachers would tolerate interruptions during class time for a discussion on where a graphic line should go or how a fine arts section should be laid out or which photograph was the most appropriate for a section.

Advisory Assistance. Erma Tiger, Adviser of the annual in previous years, was gracious in giving directions whenever possible. Without her advice we would have made costly mistakes.

Annual Staff

Co-Editors: Donna Trout and Dawn Riley. The ideas of Donna and Dawn, both of whom had annual class last year, were invaluable. Their knowledge of layout terms and construction principles further strengthened the class.

Special Editor: Derrick Lawson. Derrick, whose energy can exhaust those around him, organized material and wrote copy spontaneously. His enthusiasm, intelligence, and quick pace were an enormous assistance at deadline time.

Treasurer and Controller of Advertising Sales: Steve Rien. Steve volunteered valuable personal time to organize sales, design layouts, type copy and became a capable handyman in the art of annual construction. His quiet, good nature kept those around him calm at many tense times.

Section Editors: Dina Sandoval, Julie Bardfield, Laurie Burton, Cary Criner, Larry Espejo, Sheila Johnson, Ron Briggs, Denise McKinney, Ria Harboe, Derrick Lawson, Kim Curth, Keith McNally and Gayle Leckington worked assiduously for a quality production.

Typists: Grace Torres, Dina Sandoval, and Rosemary Reyes worked for many hours typing material for the annual — as did Teri Thompson and Joyce Criner, non-staff volunteers.
